Subject: Re: Urgent Opposition To Third-Depositions Outside The Scope Of Authorized Discovery

[EXTERNAL]

Special Master:

I wanted clear up one issue right away and would request that you allow us to respond to the rest of Defendants position sometime tomorrow.

The urgent issue relates to the remaining parties relevant to the Class Certification Motion. We are dismissing the complaints of Walker and Flannagan today but we do not intend to dismiss Michele Frost's complaint or motion to serve as class representative.

We will provide a more detailed response tomorrow.
